Isis' Sweet Sixteen Wish Comes True!

MAKE A WISH
Massachusetts and Rhode Island
Be the Spark

Dear Make-A-Wish Friends,

“Do you know a child who needs the hope, strength, and joy of a wish come true?” This is the most important question we can ask here at Make-A-Wish® Massachusetts and Rhode Island because fulfilling our mission is not just about the act of granting wishes. It’s about ensuring that we reach every child who might be medically eligible for a wish.

With our milestone 7,000th wish approaching, we continue to ask this important question as we work across Massachusetts and Rhode Island to reach young patients and their families. Our outreach ranges from hospital presentations to attendance at conferences and one-on-one conversations with medical personnel. Since last September, more than 40 healthcare professionals have made their first referral!

Yet it’s not simply our medical outreach that generates wish referrals. Potential wish children and their families learn about Make-A-Wish from a wide variety of people – from extended family members to neighbors, co-workers, clergy, and others in the community.

You can be the spark, too. Familiarize yourself with our wish eligibility criteria at massri.wish.org/wishing and our recently expanded referral guidelines (see page 3) and keep our organization in mind. You just never know when a conversation could become the catalyst for a child’s wish come true.

Each of us has the opportunity to help a family, overwhelmed by the strains of illness, discover the transformative experience of a wish fulfilled. If you know a family with a child facing a life-threatening diagnosis, please encourage them to take the first step and contact Make-A-Wish Massachusetts and Rhode Island.

With sincere appreciation,

Charlotte A. Beattie
Chief Executive Officer

Gregory J. Gallius, Chairman
Board of Directors

The 2014 Make-A-Wish Gala delivered incredible stories and inspiration to nearly 500 guests who joined us at the InterContinental Boston in April. Over $950,000 was raised, which will grant the wishes of more than 100 seriously ill children in our community. We thank all who supported the event and in particular, our generous 2014 Presenting Sponsors Steve and Deborah Barnes, MFS Investment Management, and The Nelson Family Foundation.

Dynamic Volunteer Duos

“Where get so much joy out of volunteering!”

Erin and Will Tassinari volunteer in gratitude for their own children’s health. It enables them to do something meaningful together and they love the hands-on aspects of wish granting. Their children often help shop for “ice-breaker” gifts for wish children, and their family (pictured at left) participates in Walk for Wishes® each year. When not busy granting wishes in Western Massachusetts or working in the fields of software engineering and pharmaceutical sales, the Tassistinari enjoy music and outdoor sports.

“We get so much joy out of volunteering!”

For Alberto and Marta Lopez, volunteering is an opportunity to give back for their daughter Karina’s wish to go to Walt Disney World® Resort, which was granted in 2010. The Rhode Island duo loves working with Spanish-speaking families and witnessing the awe when they explain the full scope of what Make-A-Wish will do for children. Alberto has a knack for connecting quickly with wish children and their families, while Marta uses her methodical skills to handle wish paperwork and other details. Outside of their volunteerism, Marta works with special needs children and runs an online business while Alberto is a truck driver.

“This is beautiful work.”

Kathy Finnerty-Schroth (back row, left), who works in the insurance industry, and lawyer Kathy Whalen-Giannandrea (back row, right) first met in high school and it was through Make-A-Wish that their friendship was truly rekindled over 40 years later. “The Kathys” attended volunteer training together and work on wishes in Southeastern Massachusetts. They excel at using their creative flair to add special touches to children’s wish experiences and at sharing their passion for Make-A-Wish to solicit support from local businesses and clubs. The lifelong friends find that volunteering is a win-win, keeping their friendship strong while enabling them to provide compassionate support to children and families.

Remembering Our Children

With heartfelt sympathy, we express our deepest condolences to the families of the following children who recently passed away:

Dainalcy  Elizabeth  Gillian  Jaidyn  James  Jayson

Each child is a star that shines on forever.
Sparkling Like a Diamond

A dreamy glow fills the room as Isis, radiant in her gown, makes her debut to cheers and joyful tears from her family and friends. It’s a celebration fit for a princess — exactly what Isis envisioned when she wished for a sweet sixteen party.

“A serious illness makes your definition of living different than everyone else’s,” says Isis. “Celebrating a milestone like this let me feel normal and have fun.”

Isis was 12 when diagnosed with end-stage kidney disease and though she had a kidney transplant in 2013, her body rejected the organ. Now back on the transplant waiting list, she receives hemodialysis three days a week, an uncomfortable and wearisome treatment regime.

“No matter how sick she feels, Isis keeps going,” says her mom, Eliana. An active volunteer and student teacher, the teen’s life centers on her passion for helping others. “She is so positive and has such a mature perspective. People are drawn to her by her spirit and her drive.”

For her party, Isis drew on elements from the Latin American tradition of a quinceañera, which marks a young woman’s transition into adulthood, and incorporated a fairytale theme of The Princess and the Frog. She wore a custom-made replica of Princess Tiana’s dress, while her date donned a frog costume for their first dance, only to be turned into a prince with a kiss!

“When my daughter put on that dress, she was completely transformed,” says Eliana. “She was sparkling like a diamond.”

As Isis focuses on getting strong enough for another kidney transplant, the joy of her wish still shines. Inspired by it, she is entering the 2015 Miss Teen Massachusetts Pageant. “My daughter’s wish made her feel more whole. To have an organization like Make-A-Wish, who says, ‘We see you, you’re not alone’ — it means the world to Isis and to our family.”

Swish Night

Wishes took center court during a hoops-filled evening at Swish Night 2014, held at Longmeadow Country Club in Longmeadow, MA, in April. Nearly 300 guests celebrated the life-changing impact of a wish while rooting for their favorite championship college basketball teams. The outpouring of support for our mission from committee members, sponsors, attendees, and volunteers generated $120,000 to grant 16 wishes!

Golf Classic

Golfers kicked off the summer golfing season at the sold-out Make-A-Wish Golf Classic on June 9 at Springfield Country Club in West Springfield, MA. With 144 participants, the tournament raised over $75,000 to grant 10 wishes, the most in its history! Thank you to Presenting Sponsor Dunkin’ Donuts and The Salema Family and Eagle Sponsors Bill Balint of Charter Oak Insurance and Financial Services and TD Bank, as well as tournament committee members, for leading the way to success. Profile in Giving: The Timothy O’Connell Foundation

For Kevin and Joanne O’Connell, supporting Make-A-Wish® Massachusetts and Rhode Island is a way to lovingly honor their late son, Tim, whose wish to travel to Walt Disney World® Resort was fulfilled in 2007.

“Tim faced each day with limitless strength,” says Joanne of her son, who was diagnosed with leukemia at age eight. People were drawn to him and inspired by his courage; so much so that his elementary school in Holliston, MA, held a jump-a-thon in his honor, which Tim was able attend. Over 1,000 students participated and “Tim was so proud to present a check for over $43,000 from the event to Make-A-Wish,” says Joanne. “He knew it meant that other children would experience the same joy he felt through his wish.”

In 2008, Joanne and her husband, Kevin, established the Timothy O’Connell Foundation, which has contributed over $300,000 to health-related causes in Tim’s memory. Recently, the Foundation made a $75,000 pledge through the Make-A-Wish Massachusetts and Rhode Island Leadership Giving program — the largest gift the Foundation has given to date. In addition, the O’Connell family sponsors several Make-A-Wish events through the Foundation, and both Kevin and Joanne generously donate their time to the organization. Kevin serves on the Make-A-Wish Board of Directors and Joanne is a member of the Make-A-Wish Gala Committee.

“Tim innately understood that in giving, we receive,” says Joanne, “and we are proud to carry on his legacy to help more children and families share laughter, love, and adventure together as our family did on Tim’s wish trip.” Pictured: Tim (front row, right) with his parents and brothers Chris, Matt, and Brendan in July 2008.

Help Us Reach a Milestone

We are on track to grant our 7,000th wish but we need your help to reach this milestone! However you support Make-A-Wish Massachusetts and Rhode Island, your generosity will move us toward this achievement — and will enrich a seriously ill child’s life. ► Call 888.354.9474 or visit massri.wish.org/giving for details on these and additional giving opportunities.

During Westfield State University’s graduation ceremony in Westfield, MA, the 2014 Class Council presented a check to Make-A-Wish Massachusetts and Rhode Island for $6,000, a portion of proceeds totaling $12,000 collected through a year-long fundraising campaign. This is the fifth senior class that has carried on the tradition, which has generated close to $50,000 for wishes since it began.

Inside a Community Event: The Friends of Craig Classic

Community events hosted by our supporters provide vital funds for our organization and expand awareness of the Make-A-Wish mission. For Ken Marini, Jr., Ryan Marini, and Steve Maguire, work gets underway each spring as they lead the committee for the Friends of Craig Golf Classic. The annual tournament honors the memory of Ken’s brother, Craig Marini of Abington, MA, who passed away in 1998. Since 2005, it has benefited Make-A-Wish Massachusetts and Rhode Island, raising over $140,000 for wishes.

“Craig brought people together and loved kids,” says Steve. “Through our event, he continues to give to so many deserving young people.” Steve has sound advice for anyone considering hosting a fundraising event. “People think it’s a ton of work, but if you have great passion for the cause, you can do it. It’s a powerful way to introduce others to the Make-A-Wish mission.” Pictured: Craig Marini’s brother Ryan (center) with Friends of Craig participants.

“...if you have great passion for the cause, you can do it.”

Corporate Partner Salute: Giant Glass

For nearly two decades, Giant Glass has been a giant partner in granting wishes. Founder Dennis Drinkwater, well-known as a fixture at Fenway Park in his seat behind home plate, has led the auto glass repair company in its generous support of Make-A-Wish Massachusetts and Rhode Island. Through its annual tradition of the “Giant Part of the Order” promotion, the company donates $200 to their organization every time a batter in the third through sixth position in the Red Sox lineup hits a homerun at Fenway. The company has also been a consistent sponsor of Make-A-Wish events through the years. A fixture in the Make-A-Wish lineup, Giant Glass has devoted over $700,000 to our mission and we extend our deepest appreciation for the company’s passionate support of wishes. Learn more about Giant Glass at giantglass.com. Pictured: Dennis Drinkwater, fourth from left, presents a check to Make-A-Wish Massachusetts and Rhode Island at Fenway Park. Front row, left, is wish child Ryan.

Driving Wishes Forward

Subaru of America, Inc. donated more than $2 million to Make-A-Wish nationally through the 2013 Subaru “Share the Love” event, including $83,000 here in Massachusetts and Rhode Island! Thank you to all of the Subaru customers who supported our mission and all of the dealerships who welcomed customers’ participation. Make-A-Wish was one of five national charities that benefited from the event, which enabled customers to select a charity to receive a $250 donation.

A World of Support

Make-A-Wish puts the world in wish children’s hands and since 2011, World Travel Holdings has helped make this possible. The travel distributor donates $5 to Make-A-Wish from each booking made by CruisesOnly customers during its annual Make-A-Wish promotion. In addition, the Massachusetts-based company encourages staff to donate through payroll deductions and activities at its national conference. And, with a flair for adventure, employees host parties to send children off in style on their wishes. Thanks to World Travel Holdings, eight local children have received their wishes and more than $450,000 has been raised for Make-A-Wish nationwide.

ISES Makes a Splash

The New England chapter of the International Special Events Society (ISES) hosted “Under the Sea: The Wish to Go” at Howl at the Moon in Boston in May. We’re grateful to our friends at ISES, who raised $7,600 to grant a wish through the sea-themed fundraiser. The chapter is a volunteer-run organization that provides educational, networking, and peer-to-peer support for professionals in the event planning industry. Pictured: Ashley Gordon, Director of Special Projects for ISES / Sales and Events Manager at Howl at the Moon and Larry Green, owner of Rentals Unlimited.

OUR MISSION: Make-A-Wish® Massachusetts and Rhode Island grants wishes for children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy.

You hold the ticket to a child’s wishSM

Your frequent flier miles from Delta, United, US Airways, and JetBlue will help children travel to their wish destinations. Once donated, miles never expire.

Visit massri.wish.org/miles to donate or call 888.354.9474.
