Moved to Make a Difference

Dear Make-A-Wish Friends,

We are continually inspired not only by our wish children and their families, but also by the tremendous community of supporters who make our work possible. Every day, individuals, organizations, and businesses commit time, funding, or other resources to our mission. They are moved to make a difference.

We witnessed it in September, when more than 100 people of all ages braved early morning hours to gather with us at Logan Airport as we marked our milestone 7,000th wish. We feel it when a donor steps forward with a major gift to greatly impact our mission, or names us in his or her will to sustain our work. We experience it when we receive donations from children coming together through Kids For Wish Kids, and when companies host airline miles campaigns for employees to support wishes. And, we hear it when our compassionate volunteers share their meaningful experiences working on a child’s wish.

This issue of The Well Wisher highlights some of our inspiring supporters who have been moved to make a difference in the lives of our wish children. In so doing, they make a statement: I believe in the power of a wish and all that it can do for a child fighting serious illness.

Despite the advances in science since our founding 28 years ago, there will always be intangible elements that medicine alone cannot provide. That’s where we come in: we are here to lead children to the bright hope, deeper strength, and uplifting joy of a wish come true.

And without your generosity, we couldn’t help our wish children to continue believing in better tomorrows. We thank you for your ongoing partnership and hope that you will continue to be moved to make a difference!

With sincere appreciation,

Robert L. Paglia, Chairman
Board of Directors

Evening of Wishes Grants 29 Wishes

Our 2014 Evening of Wishes was an elegant celebration of the joy that wishes bring to children. Thanks to the generous support of our community and the over 250 guests in attendance, the November event at the Omni Providence Hotel in Providence, Rhode Island, raised $220,000 to grant 29 wishes! We are sincerely grateful to our 2014 Evening of Wishes sponsors, particularly our Presenting Sponsors and event co-chairs Bill and Doris Loehning, Hope Sponsor Euro-Pro, and Strength Sponsors Embrace Home Loans and Textron. And, we thank our program participants, event committee members, volunteers, and in-kind donors – all of whom contributed to the event’s success.

Refer a Child for a Wish

We need your help to reach more children who may qualify for a wish. Though referrals to us have increased 23% over last year, we know there are children we are not reaching. Learn about our eligibility criteria and referral process and share the information in your networks to support our goal of granting the wish of every medically eligible child in Massachusetts and Rhode Island.

A Wish Comes Full Circle
BY TESSA TOMASSINI

To say that my involvement with Make-A-Wish Massachusetts and Rhode Island has come full circle is an understatement. In May 1993, at age five, I suffered from acute liver failure secondary to viral hepatitis. The onset was so fast and severe that I needed a liver transplant within days. Miraculously, a donor was found and 13 hours of surgery saved my life.

A few years post-transplant, I learned I could have a wish granted. I wished for a room makeover. At the time, rainbows were a sign of hope to me, so I wanted the makeover to include a rainbow mural.

My room was transformed into a room every little girl dreams of and quickly became my oasis. Nearly two decades later, neither my parents nor I have had the heart to change it because that room symbolizes my journey. It’s where I transformed from an insecure child, uncertain of where life would take me due to my illness… to a 26-year-old woman who is determined to give back. That was the power of my wish: it provided me with support and confidence at a time when I needed it the most.

I began volunteering in 2013 and did not anticipate what an incredible journey it would be. Working on wishes, I’m able to give back what was given to me as a child. And I continue to cherish my time spent with wish kids and the indescribable feeling of knowing that my own story helps them feel more hopeful.

Among my most memorable moments as a volunteer is being reunited with my childhood physician, Dr. Kathy Calenda, who is on the Rhode Island Advisory Board. It was absolutely amazing and truly brought everything full circle.

Nearly 20 years later, the hope that Make-A-Wish Massachusetts and Rhode Island provided me at a young age through my wish is a feeling that continues to guide me and for which I will be forever grateful.

Remembering Our Children
With heartfelt sympathy, we express our deepest condolences to the families of the following children who recently passed away:

- Abigail
- Alisha
- Bradyn
- Estelle
- Janariz

Each child is a star that shines on forever.

Bilingual Volunteers Needed: Can you help?

The joy of our mission transcends all languages, yet when it comes to determining a child’s wish and planning all of the important details, we encounter many spoken languages. We are honored to serve a diverse community and are seeking bilingual volunteers, particularly those fluent in Spanish or Portuguese, to support us in reaching every eligible child.

“What makes volunteering extra special for me is that I help Portuguese-speaking families. When I first shared with Make-A-Wish that I am bilingual, I had no idea there would be demand not only for Portuguese but for all different languages. Every week, there are families who need a volunteer who speaks a second language.”

– Maggie daSilva, bilingual volunteer

Giving While Receiving: Colton’s Wish

Colton, 16, faces serious illness every day. The teen follows a regime of medications and infusions to slow progression of a life-threatening rheumatological disorder. The condition, which affects his skin and underlying tissue, sometimes restricts his movement and has the potential to spread to his internal organs.

“Colton felt that if he were going to benefit from a wish, his wish should be meaningful and help others.” – Wish mom Kathie

Despite his illness, Colton keeps perspective, aware that others have much more difficult life circumstances. A warm-hearted teen who is an active volunteer in his community, “Colton felt that if he were going to benefit from a wish, it should be meaningful and help others,” says his mom, Kathie.

Having always wanted to participate in a service project abroad, Colton wished to volunteer in Peru. His wish brought him to Villa El Salvador, a coastal district on the outskirts of Lima. For a week, Colton took part in volunteer projects arranged through a program called Cross Cultural Solutions. He spent time at PRONOEI “Huellitas en la Arena,” a preschool with minimal staff and resources. There, he provided much-needed support for the children, leading learning activities, reading aloud, and relishing the opportunity to be a playmate to them.

“It was one of the most profound experiences of my life.” – Colton

Colton also volunteered at Los Martincitos, a day program for the elderly. “It was one of the most profound experiences of my life,” says Colton. “We bagged rice, knowing it would be the bulk of the food these folks would have for the week. We prepared and served lunch and were hugged and kissed by so many. It was very humbling.”

Feeling a sense of accomplishment greater than any he's felt before, Colton returned home from his wish carrying lessons of gratitude that will stay with him forever.

Wine and Wishes 2014: A Toast to Joy

Our second annual Wine and Wishes tasting event paired altruistic Boston-based young professionals with local purveyors of fine wines and spirits. The event, held at Morton’s The Steakhouse in Boston, engaged our network of young professionals with our mission – and raised funds to grant six children’s wishes!

Thank you to Presenting Sponsor Trusted Choice and the Young Agents Committee of the Massachusetts Association of Insurance Agents and all of our event sponsors; Panther Distributing and our additional Tasting Partners and in-kind donors; event emcee Jonathan Soroff from The Improper Bostonian; our wish family participants; and the event committee members and volunteers whose hard work resulted in a memorable evening of wine, whiskey, and wishes!

Create a Legacy: Make a Planned Gift

Every day, we transform the lives of children with life-threatening medical conditions through wishes that bring optimism and renewal. The experience can help children find the strength to live with — or even overcome — their medical condition.

This can be your legacy.

You can help make life-changing wishes come true by naming Make-A-Wish Massachusetts and Rhode Island as a beneficiary of your estate. By designating our organization through a charitable bequest in your will, you will leave a legacy of hope, strength, and joy for wish children.

Don’t overlook your air miles!

An often-forgotten asset in estate planning is your frequent flier miles balance. When you donate miles you have accumulated from our airline sponsors, they will never expire and will help us send children to their wish destinations well into the future.

Your commitment will truly make a difference in the lives of the children we serve, creating joy for generations to come.

We are deeply grateful for the following gifts received this past year from the estates of:

- Ruth Frances Anderson
- Ann R. Bacall
- Delia P. Frissora
- Kenneth Knee
- Margaret Roberge

To learn more about including us in your will, and how to donate your air miles through a bequest, contact Laura LeTourneau at lletourneau@massri.wish.org or 617.367.9474.

Give Joy: Sponsor a Child’s Wish

With a gift ranging from $7,500 to $15,000 or more, you can fulfill a child’s wish in its entirety. Your generosity will move us closer to our goal of granting 380 wishes this year — and will uplift a child like Sophie!

“Please consider sponsoring a child’s wish to support this incredible organization. Seriously ill children truly deserve the opportunity to dream and experience a wish come true.

My daughter, Sophie, regained her confidence through her wish, and after her lengthy cancer treatment, it marked a healing new beginning for our family. Two years later, Sophie still talks about her wish!”

– Wish mom Julia

Thank you to all who were moved to support wishes through a contribution to our 2014 annual appeal! If you have not yet renewed your support, call 888.595.4678 or visit massri.wish.org/donate to give.
Team Make-A-Wish to Run Boston Marathon

We're thrilled to announce that four runners will run the 2015 Boston Marathon for Make-A-Wish Massachusetts and Rhode Island! Emily Castle, Renae Goettel, Katie Jamieson, and Lisa Raeke will take to the 26.2-mile course on April 20 as Team Make-A-Wish after months of training and fundraising. Each runner shares the goal of granting a wish by raising $7,500 or more through her run. We are honored to be collaborating with the John Hancock Non-Profit Program for this opportunity. Good luck to our runners on Marathon Monday as they go the distance for our wish children!

Masco in Motion Honors Wish Child

When nine-year-old Maddie’s wish to skate with the Boston Bruins was granted last spring, she never could have imagined that she would become the inspiration for an entire class of high school students in her hometown. Deeply touched by the impact of Maddie’s experience on her, the freshmen at Masconomet High School in Topsfield, MA, chose Make-A-Wish Massachusetts and Rhode Island as the beneficiary of their charity walk, Masco in Motion.

The event provided a team-building experience for the students and their peer leaders from the junior and senior class as they planned and fundraised for the six-mile walk. Maddie shared her story with students to kick-start fundraising and even helped raise funds herself. And, on walk day, she led nearly 400 participants along the route. As a surprise, Maddie’s entire fourth grade class from nearby Proctor Elementary School lined the streets to cheer her on. “It was unbelievably moving,” says Reilly Finnegan, peer leader advisor.

Through tremendous teamwork, Masco in Motion raised $32,000 to help grant wishes like Maddie’s! Congratulations and thank you to the Masconomet High School students and faculty for their fantastic support and to Maddie for inspiring others by sharing the joy of her wish. Corporate Partner Salute

“Supporting Make-A-Wish increases our sense of purpose, and our team feels proud and honored to be able to give.” - CHRISTINE MARK

GRAVITY SWITCH founders Christine and Jason Mark lead their company with an entrepreneurial spirit and place a high value on philanthropy, annually donating 15% of profits to charity. Over the last two years, the full-service web/digital agency, based in Northampton, MA, has contributed $43,000 to Make-A-Wish Massachusetts and Rhode Island, helping to fund three wishes each year.

Make-A-Wish receives the greatest portion of the company’s annual charitable giving because, as Christine observes, “there is an interesting parallel between our company’s mission and the Make-A-Wish mission...Make-A-Wish changes a child’s outlook on life, and Gravity Switch helps our clients gain new perspective, enabling them to focus on what truly matters to their business and their customers...Supporting Make-A-Wish increases our sense of purpose, and our team feels proud and honored to be able to give.”

We extend our sincere gratitude to Christine, Jason, and the Gravity Switch team for their continuing generous support of our wish children! Learn more about Gravity Switch at gravityswitch.com.

Connected for Good

PatientsLikeMe helps people living with chronic conditions track their health, connect with others like them, and donate data for research, all at patientslikeme.com. Through the company’s “24 Days of Giving” campaign in December, users were invited to donate even more health data and track and share their experiences navigating their health journeys — all to help bring joy to our wish children. In celebration of the campaign, PatientsLikeMe donated $20,000 to Make-A-Wish Massachusetts and Rhode Island that will help us connect children with the uplifting experience of a wish come true!
Host a Mileage Campaign

Corporate supporters continue to go the distance for our wish children by hosting airline mileage campaigns. Over the past two years, local companies have collectively raised more than 3.5 million miles, which have been instrumental in offsetting airfare costs for wishes. Through these donated miles, we have been able to send wish children to destinations including Hawaii, the Caribbean, Europe, Africa, Asia, Central America, and Australia!

However, our need for miles continues to be urgent as more than 75% of the wishes we grant each year involve air travel. Learn more and kick off a campaign at your company in 2015! To get started, contact Jo-Anne Spillane, 617.367.9474 or jspillane@massri.wish.org.

- Donation minimums range from 500-1,000 miles and once donated, miles never expire. Participating airlines are Delta and United.

How do the miles add up?

- Wish family size: 5 people
- Minimum donated miles needed per ticket to Hawaii: 80,000

- $5 \times 80,000 = 400,000$ donated miles to grant a wish to visit Hawaii
